X. APPLICANT'S CERTIFICATION

As the owner or the authorized agent of the project for which this application is filed, I certify that:

1. The estimated construction cost and all other information provided as part of this application for a building permit is correct.
2. The building or structure described in this application will not be occupied until all known code violations are corrected and a Certificate of Occupancy has been received from Building Code Official.
3. This project will be constructed in accordance with the approved drawings and specifications (including any required non- design changes) and the Uniform Construction Code standards as specified in 34 PA Code Chapters 401-405.
4. Any changes to the approved documents will be filed with the Building Code Official.
5. If the licensed architect or engineer in responsible charge of this construction should change, written notice of the change will be provided to the Building Code Official.
6. When required, up to 20% of the total cost of any work performed on an area of primary function in an existing building will be expended to provide an accessible route to the area of primary function or other approved accessibility improvements.
7. No error or omission in either the drawings and specifications or application, whether approved or not, shall permit or relieve me from constructing the work in any manner other than provided for in 34 PA Code Chapters 401-405.

I hereby authorize the Municipality Staff to perform inspections related to this application as may be required between the hours of 8 AM and 8 PM. The applicant understands and agrees to comply with the Pennsylvania Municipal Planning Code and Zoning Ordinance, as amended. All information supporting this application shall become part of the records of the Municipality, cannot be returned and may be examined by the public at any time during the normal working hours of the Municipal Office

Application is hereby made for a permit to erect or alter a structure which shall be located as shown on the attached diagram/plot plan and/or to use the premises for the purposes herewith. The information which precedes, together with the plot plan/diagram, is made part of this application by the undersigned. It is understood and agreed by the applicant that any error, misstatement or misrepresentation of material, fact, either with or without intention on the part of this applicant, such as might or would operate to cause a refusal of this application or any change in the location, size or use of structure or land made subsequent to the issuance of this permit without approval of the Zoning Officer, shall constitute sufficient ground for the revocation of this permit.
