Dear Parents/Guardians,

The Northampton Area School District was notified by the Borough of Bath that effective Friday, January 29, 2016, the Borough will discontinue the crossing guard service for George Wolf Elementary School on roads during the student morning arrival time and in the afternoon during the school dismissal time. On Monday, February 1, 2016, the crossing guards will not be in place.

Due to the elimination of the crossing guards effective February 1, 2016, and the magnitude of vehicles in the Borough of Bath, the Northampton Area School District Board of Education and the administration want to be proactive and provide your child with the safest route to and from George Wolf Elementary School. To address this concern, the District will offer bus service for your child effective Monday, January 4, 2016.

Please keep in mind that if you allow your child to walk to and from George Wolf Elementary School, the crossing guards will not be in place effective Monday, February 1, 2016. Your child's bus information is enclosed with this letter.

We appreciate your cooperation as we strive to provide a safe route for your child to and from George Wolf Elementary School. If you have any questions, you may contact the District's Transportation Office at 610-262-7811 ext. 6 or First Student, the District's transportation provider, at 610-262-7173.

Sincerely,
