1	We lost the football program. Is there any interest in another sports league for the borough. We need something for the youth of the borough. My son participated in Bath Lions and enjoyed it. But it went away. He is now 15. Bath Lions provided a sense of community. I moved from NC PA and I met a lot of great parents through Bath Lions. There is nothing here now to help with that sense of community pride. There are other sports; soccer, basketball... that young children love to play, Isn't there something that the borough can support and keep parents and their kids in Bath for youth sports.	6/12/2023 9:41 PM
2	I would like to see more toddler friendly playground equipment	6/11/2023 10:01 PM
3	Updating borough equipment in borough parks.	6/8/2023 11:37 AM
4	I would like to see a walking path thats paved instead of mow grass. I would like to see community garden of all different kinds of flowers. I would like to see a lake for the ducks. I would like to see more parking for cars. I would like to see more seating benches.	6/6/2023 9:26 PM
5	There is not enough parking at some parks, but live close enough to walk to 2 parks so I am happy. I would love to see community garden	6/6/2023 9:18 PM
6	The Basketball court is what the kids have to play with because, there are no jobs the kids can work at and there's only 1 park that EVERYONE goes to. Since they have taken the basketball hoops down my kids and other kids have no where to hangout now because there is nothing for them to do. Thank You for letting us take this survey but it would be very appreciated if you all not take this a joke and listen to what we have to say.	6/6/2023 5:05 PM
7	better basketball courts	6/6/2023 4:46 PM
8	George wolf elementary school could use more planted trees for future shade. It gets too hot and the paint and plastic ages the equipment. It could be replaced actually the way it is. Rehrig swings on holiday hill are a great addition but a complementary slide / climbing area like the one off Neville Way on the town house community to the east would be nice. Keystone park is nice but could use a upgraded playground set. Disappointed to see the basketball court hoops courts damage around the elementary school. Basketball is a great sport for kids that can range from 2 to 10 just the right amount for them to play in small and bigger groups. Can holiday hill get a basketball court at Rehrig park?	6/6/2023 12:48 AM
9	Make sure the parks are easily accessible and monitored for vandalism or we will have nothing.	6/5/2023 5:17 PM
10	I believe that there are children out there looking for things to do and keep getting punished for those that don't respect places. Especially if there are cameras and it is known who is destroying property. Only those who are in the wrong should be held accountable...not those that are just trying to have fun.	6/2/2023 2:44 PM
11	Bath has so much potential and I am excited for the future of the town :)	6/2/2023 8:50 AM
12	The basketball court over by fireman's field is uneven, sometimes water logged, with only one hoop usable. There is plenty of opportunity for additional improvements, Rec centers and more. More things for the under 5 to do would also be preferred. It would be a great opportunity for all the creek and old forge kids to hang out instead of in the middle of the road.	6/1/2023 2:05 PM
13	Proper security measures will have to be taken in order to ensure preservation of the parks and the safety of pedestrians.	6/1/2023 10:16 AM
14	Ciff Cowling Field: would love basketball court, and soccer goals. I would donate money to have these amenities at this Park on holiday hill.	5/25/2023 1:23 PM

15	I would love to see a basketball court at Carl rehrig park. Even if it was a half court. Tons of parents and children near this park have mentioned how great it would be. If this is considered but finances were a concern I would love to help see if I could raise money for this idea and personally donate as well (484-666-7115) . Thanks for sending out this survey.	5/25/2023 10:06 AM
16	Ciff Cowling Field; soccer goal/field and possible basketball hoop for older elementary/middle school children of the neighborhood	5/25/2023 9:34 AM
17	We really wish the kids sports programs back to Bath, no matter for the summer or all year around.	5/23/2023 3:58 PM
18	We are active and would enjoy access to trails that doesn't require driving to.	5/20/2023 8:47 PM
19	We need a splash park. Sell passes like other boroughs.	5/20/2023 2:40 PM
20	Need snack stand open for baseball and other Events	5/20/2023 12:54 PM
21	We have beautiful ball fields and they sit completely idol. There seems to me to be plenty of kids in town that would love to play youth sports. Let's get the Bath sports teams rolling again and give these kids something positive and rewarding to do and learn.	5/20/2023 8:02 AM
22	More open areas, less warehouses. Parks require maintenance and cost money. Preserve land.	5/20/2023 6:21 AM
23	It would be wonderful if there were a way to connect the Nor-Bath trail to downtown.	5/19/2023 11:51 PM
24	Keep up the great work. We leave just north of Bath by a few miles but our family loves the place. Our girls went to school at Sacred Heart and will always be in our hearts.	5/19/2023 10:45 PM
25	Community garden would be great seeing what Nazareth has done to bring the neighbors together and help the community with sharing with local food banks.	5/19/2023 10:43 PM
26	I do thoroughly enjoy the walking trails that were added last Spring. Thank you! I also have appreciated the increased park usage for family fun events like movie night, food tucks, etc.	5/19/2023 9:33 PM
27	There's a lot of great opportunities in borough meadow park. My family and I go there often for walks with our dog, playground, and running. A Rentable pavilion could be lucrative addition that would benefit our community. Also putting in an actually walking track where they mow all around the park would be awesome for the many runners we have in the neighborhood. I know parking authority is a priority here in bath but maybe people wouldn't be so ticked off all the time If we could put that same effort into giving back to the residents with something fun and useful.	5/19/2023 9:28 PM
28	I went to one park and had to go home to go to the bathroom I think there should be bathrooms available for family's in the parks and fields	5/19/2023 9:17 PM
29	Need play equipment for smaller children under age of 5	5/19/2023 9:09 PM
30	we have young children that play at the park. we have stopped taking them because the "big" kids awr very rude. they will sit without parents at the park and talk very nasty or pass drugs around. we are a clean household and refuse to let our children be around that. we have found that jacksonville park seems to be the main place to get away from the punk kids. hopefully more rules will be in place in the future.	5/19/2023 8:51 PM
31	None	5/19/2023 8:21 PM
32	More playgrounds for toddlers and kids please!	5/19/2023 7:57 PM
33	You have the dog park,does anybody use it? And when they use other areas they need to clean up after their dogs!!	5/19/2023 7:41 PM
