**RE: Portion of Bath's Historic District
Nomination for National Registry of Historic Places – Letter of Support**

Dear Ms. Rairigh,

I'm writing to inform you, with great pleasure, and full support of the Borough Council of the Borough of Bath, in consideration for Bath's Historic District nomination to the National Registry of Historic Places.

At their regular public meeting of October 2, 2023, Borough Council unanimously voted in favor of supporting the nomination listing Bath's local Historic District (*vicinity of District 'A'*) to the National Register of Historic Places based on your recommendations. Given the historic architecture of the structures and the regional contribution to early American commerce comprising Bath's Historic District; for these reasons, we trust our community's heritage will indeed find a place on the National Park Service's National Registry of Historic Places.

We want to thank you, your office, and the Pennsylvania Historical and Museum Commission for taking time to identify, study, and recommend our community for this momentous recognition. We are all deeply appreciative and honored for this opportunity and consideration.

Very best regards,

Bradford T. Flynn, Borough Manager
Borough of Bath
