Did you know that property owners have 24 hours from the time snow stops falling to clear sidewalks?

Failure to timely clear sidewalks may result in a violation and possible fine.

To prevent this:

Try this method of shoveling :

How to Shovel a Driveway Apron. Shovel the snow to the right of your driveway. Please remember that the plow will always deposit some snow at the end of your driveway; this is unavoidable.

When Should I Start Shoveling My Driveway? Wait until the plow truck has completed clearing the roadway curb to curb

Where Should I Pile Snow? Pushing snow into the street is a violation of local ordinances. Where possible, the Borough asks that residents attempt to pile snow in the yard space behind the curbing/sidewalks.
