ATTENDEE #5: Mayor Mirabito	ATTENDEE #6: Brad Flynn, Borough Manager	ALL OTHER ATTENDEE(S): Susan Simon	EXCUSED OR ABSENT: Michele Ehrigott

MEETING MINUTES PREPARED BY: **Brad Flynn**

MINUTES STATUS: **APPROVED/FINAL**

MEETING MINUTES:

MS4 Program Planning, Development & Implementation

- Approval of Prior Meeting Minutes
- Continued discussion of Bath's MS4 Program & Outlining Goals
- Colliers Engineering & Design MS4 Program Development (March Updates): Engineer Madison provided an overview of work performed to date. Statistical data for the impervious coverage study continues, as work to identify a 'base' rate between residential and non-residential parcels within the Borough. Engineer Madison's office will continue this work through April and expect to have more complete numbers, with possibly some idea on what an average yearly MS4 utility bill might amount too during the April MS4 committee meeting. Resident Susan Simon attended the meeting to ask questions about the program. The committee shared with Ms. Simone insight as to the history of MS4 in Bath, current regulations, timelines, MS4 permitting requirements, MS4 projects, and why the Borough is considering a Storm Sewer utility fee and Storm Sewer Authority.

Additional Items

- None

Adjournment

- Meeting adjourned at 5:55 PM
