

248 REALIGNMENT

Okay Bath and surrounding area...are YOU READY for the STATE ROUTE 248 REALIGNMENT Construction Project to BEGIN?!
Hot off the ...Bath officials have formally received its invite to the SR-248 Realignment Pre-Construction meeting slated for September 5th!
We will have more information to share after this meeting. Here are some tentative details:
The contractor for this project will be Kriger Construction, Inc. The anticipated Notice to Proceed is scheduled for 09/09/2024. The anticipated completion date is 07/26/2027. Contract amount is $5,426,674.
The project is the realignment of State Route 248 onto Northampton Street, reconstruction of Northampton Street, replacement of the bridge that carries Northampton Street over Monocacy Creek, and other miscellaneous construction.
From all of us at the Borough, PennDOT...THANK YOU, THANK YOU, THANK YOU!
If you don't know, this has been many, many, years in the making.
Share this information! If you need to use W. Northampton Street between Chestnut and W. Main Street, just start thinking about traffic congestion and construction activity in the near future.
We'll have more information to send out after the pre-construction meeting.
