Dear Fellow Friend of Bath Borough,

We hope that your 2026 is off to a good start. In the Borough of Bath we are excited that 2026 is finally here! Our America 250 Committee has been hard at work since April of 2024; meeting, planning, and discussing what role Bath could play in this very important year for the United States of America. Bath has a rich history that dates back prior to the Revolution, 1737 to be exact, and we felt it only fitting and proper that Bath do something big for this big and important year. Tying our rich history to the story of America. The Committee decided upon, and with the blessing of Borough Council, to construct the America 250 Trailhead. This Trailhead will be the Main Trailhead in the Borough's soon to be installed Bath Park Trail System. The Trail System was designed as part of our Master Park Plan and to join up to the Northampton County Trail System that is expected make it's arrival into the Borough in late 2026. In the urban setting of Bath, the hope is that the Trail System will offer some calmer areas for residents and visitors alike.

You might be asking yourself "why a Trailhead?" We have a very interesting and historical story to tell here in Bath. Bath is looked upon as an important crossroads community. So much so that we have been named a National Historic Landmark, because of it. This trailhead will be a modern take on that crossroads role. Attracting and connecting visitors from all over, as Bath leads them and directs them to their next destination. The America 250 Trailhead will offer a way for each and every one of you to be a part of a lasting history to our Country. Engraved bricks will be installed at the Trailhead. Those bricks will lay at the base of a Monument to honor the founders of our Country and Borough. So not only will this be a hub for those walking but also serve as a familial and generational crossroads in our Borough, showing the joining of those that came before us, to those of us here now.

The America 250 Committee has been out and about in our Community bringing awareness to this endeavor and fundraising whenever we can along the way. One of our major fundraisers is coming in April 2026. We will be hosting a golf tournament at Whitetail Golf Club. All proceeds raised will go directly to the Bath America 250 Committee. Those funds will then help to construct the Trailhead project, and any other expenses related to the project. The Trailhead will not be completed in 2026 but groundbreaking and some beginning phases will take place.

We are kindly asking for your support. Attached is the Golf Tournament Registration Form as well as the Golf Tournament Hole Sponsor Form. If you are interested in one or both, it would be greatly appreciated by not only the Committee but all residents of Bath. Along with the Golf Tournament we are looking for silent auction donations and raffle prizes. If you would like to be part of this event, and support us, please feel free to fill out the attached forms. If you have any questions, contact our Golf Tournament Coordinators,

Mandy Hoysan @ 484-937-6226 OR Ashlee Giordano @ 610-509-5693.

Sincerely,

Borough of Bath America 250 Steering Committee
