## **MS4 Profit and Loss Forecast vs Actual**

**IMPORTANCE:** The MS4 Fund is the primary bank account for most of the day-to-day financial transactions related to the Borough's Stormwater Management Program. QuickBooks will generate a "forecast" for each year based on the previous year's expenses and revenues. From this forecast, a monthly Profit and Loss – Forecast vs. Actual report will show actual current expenses and revenues to date compared to where QuickBooks has forecasted it to be. The report 'forecasts' the result of expenses and revenues based on this comparison. This report aids in identifying line-item and ultimately budget funding shortage or surplus potential. Will be shown as a total and not month-by-month.

## **MS4 Profit and Loss Budget vs Actual**

**IMPORTANCE:** The MS4 Fund is the primary bank account for most of the day-to-day financial transactions related to the Borough's Stormwater Management Program. The MS4 Profit and Loss Budget vs Actual provides a history of actual expenses and revenues to date compared to the council approved calendar year budget. The report identifies the current year's expenses and revenues to date, tracking financial transactions and providing a percentage of what has occurred versus the anticipated budgeted line-item estimates. This report will indicate whether a line item, and ultimately whether the MS4 Fund budget is running deficits or surpluses according to that calendar year's budget.

**IMPORTANT:** Bank account reconciliations provide the full details of financial transactions relative to the fund being examined. The reconciliations indicate all cleared and uncleared checks written against the identified bank account. The reconciliation report will also indicate a closing month fund balance. Reconciliations are important to compare against the bank account issued statement, ensuring financial reporting accuracy between the banking institution and recorded entries by the Borough through its account management software. This section will include an account 'Reconciliation Summary' along with the 'Reconciliation Detail' for the six major funds identified above. All other accounts are reconciled to within a month of this report and can be made available upon request.

*\*As of January 2025, the Authority has one fund, the MS4 Fund.*
